

SnapsHOT™ : TDT - STAFFING SOLUTIONS

Delivering expert, domain centric resources for staff augmentation, permanent placement, consulting, and business process reengineering solutions for your business.

We endeavor to build long term business partnerships with both our clients and candidates in order to establish successful working relationships, positive and productive experiences, while delivering proven technical and business solutions to our customers.

The ClearChoice™

TDT is your gateway to world class business solutions. A technology firm that specializes in high-end technology staffing, consulting, and business process reengineering services for the travel, finance, healthcare, and insurance industries.

TDT is the ClearChoice™

- ◇ A high performance, process driven, industry centric, solutions delivery organization.
- ◇ Proven capability of precisely aligning customer objectives, industry and functional expertise with solutions and delivery capabilities
- ◇ Approach designed to maximize speed, quality and results, while minimizing cost
- ◇ Flexible engagement approach tailored to suit the customer's preferred working model
- ◇ End-to-end commitment to the customer ensuring all strategic objectives are met
- ◇ Deep travel and financial services domain and IT expertise with significant industry successes
- ◇ A sample of our customers: Princess Cruises, United Airlines, Delta Airlines, KLM Airlines, Northwest Airlines, EDS, IBM, Travelport GDS (Worldspan, Galileo, Apollo), Orbitz, Expedia, TravelCLICK, Travel Impressions

What makes TDT unique?

- ◇ Our recruiters have technical backgrounds with proven track records in project and resource management
- ◇ We leverage an expansive network of proven resources
- ◇ Our staff offers expert knowledge of the IT marketplace with senior level experience in Architecture, Mainframe and Open Systems, Network and Communications, Project Management, Data Administration and Database Management
- ◇ We ensure the right skills for the right jobs *based on your requirements* through delivery of highly specialized resources
- ◇ We have hard to find and specialized resources, such as TPF and Prolog professionals or high-end Enterprise Architects
- ◇ We provide local and personalized account management

Our Value Proposition

TDT brings extensive experience in Staff Augmentation, Permanent Placement, and Strategic and Tactical IT Consulting Services. Over time, we evolved our experiences into our value based approach in the marketplace. The benefits we bring to you include:

- ◇ Scope and strength of services
- ◇ Measurable cost benefits and bottom line ROI
- ◇ Flexible Pricing Models
- ◇ Customer Satisfaction through Delivery, Quality and Excellent Customer Service

Our business is your success.
