

SnapsHOT™: TDT - A TRUSTED PARTNER

Delivering Business Analytics, Consulting Services, Business Process Transformation and Cost Reduction Solutions.

Our solutions and consulting services are designed to increase efficiencies, improve customer service and maximize your profitability.

Who is TDT?

A company of experienced professionals whose goal is to be a trusted partner offering a range of Business Analytic and Consulting Services. TDT brings you sophisticated Business Intelligence and Technology Solutions to enhance your competitiveness and profitability

What makes TDT unique in the Consulting space?

- ◇ Our Business Analytics engine “Entente” is a new generation services platform (SaaS) created to imbed Analytics within businesses in near real time increasing your ability to compete more effectively
- ◇ Through the utilization of our Cost Reduction Program, we have achieved significant results in assisting companies in transforming their organizations into highly efficient, high performance organizations
- ◇ We specialize in high end technology staffing, consulting and business process reengineering for the travel, finance, insurance and health care sectors
- ◇ Ability to seek and deliver highly specialized skill sets that address unique client needs
- ◇ TPF skills and industry knowledge are core strengths to our organization. Our domain knowledge extends across various verticals (e.g.. Airlines, GDS, financial services etc.) and in specific segments within each vertical such as Reservations, Fares, Departure Control, Loyalty Management Programs, Credit Authorization and Fraud detection
- ◇ Localized account management for the delivery of services and solutions
- ◇ Expertise in matching customer needs with the right delivery model

Our Value

TDT has extensive experience in business Analytics and consulting services. Over time, we have applied our experiences and translated them into a value approach to the marketplace. No one provider has all the solutions to suit a company’s needs, which is why we apply our ClearChoice™ methodology to select and measure our provider partners.
